[Intro]

Yeah get money

Do what I want her to

She dancer for money

Do what I wanna do[Chorus]

I'm your nasty dancer dancer for money

Do what you want me to do (do what I want her to)

I'm your freaky dancer dancer for money

I'll do what you want me to do (do what I want her to)[Verse 1]

Pass the salt shaker so I can make her

Shake that salt all over my plate

So you wanna get paid here the table though

Put a legband on you a project ho

Now drop that shit don't waste no time

Ain't no rules could this be mine

A high price ho with a body like that

? much butt but I wonder what it shaped like

Jam a jammy, jammy a jam

All y'all tricks need to get with the program

So shake it one time

Let me see you stomp and grind

Here a butt, there a butt everywhere a butt butt

Booty all around I'm glad y'all found me

'cause I've been in a daze

With all this pussy in my face

Ow, so shortie what's up with that

You wanna work gotta unzip your backpack

And let me see you do the rabbit in the hat trick

'cause these niggas be lovin' that shit

Don't stop, get it, get it

Don't stop work with it

Don't stop just get it

Shake that shit don't stop work with itChorus (x2)[Verse 2]  
It's her attitude that puts me in the mood  
Shit, shit, shit  
And it feels so right, it can't be wrong  
I could watch her do this all night long  
She's a fine girl but all the other girls  
All think she's a freak  
Gotta make that money honey  
Can't be livin' on the streets  
>From the front to the back, from the front to the back  
I didn't know she could dance like that  
Ooh she so nasty  
And I just might do anything she asked me  
'cause she for real  
And she got my nature hard as steel  
But it ain't nothin' but a shake your booty thing  
I see booty comin' all out the g-string  
Let me see you in your birthday suit  
Baby gotta dance to get this loot  
So loose my money honey  
Let me see the little pink bunny  
Now when I'm in the club I'm in the front row  
I like to tip, tip, tip the hoes  
Niggas in the club sittin' all alone  
If you ain't got no money take your broke ass homeYes I'll dance (do your dance)  
Yes I'll dance (do your dance)  
Yes I'll dance, I'll da-a-ance (x2)Chorus
