

Follow the Sun

Bedouin Soundclash

Oooooooo
Oooooooo
Oooooooo
OoooooooO the sun gets heavy
Sinking into the city
Burning off the day
Into are daze remainsO will follow the sun
Follow the sun
Follow the sun
Follow the sunOooooo
Oooooo
Oooooo
OoooooIf God is the sunlight
You must be a flower he likes
On and on the distance
And the time it took us for thisAs we follow the sun
Follow the sun
Follow the sun
Follow the sunO when we get older
We may not have his shoulder
We are young and able
As the evening gets unstableAnd we follow the sun
Follow the sun
O we follow the sun
Follow the sunOooooooo
Oooooooo
Oooooooo
Oooooooo
OOoooooo
