

The Package

A Perfect Circle

Clever got me this far
Then tricky got me in
I am what I'm after
I don't need another friend Smile and drop the cliché
Till you think I'm listening
Take just what I came for
Then I'm out the door again Peripheral on the package
Don't care to settle in
Time to feed the monster
I don't need another friend Comfort is a mystery
Crawling out of my own skin
Just give me what I came for
Then I'm out the door again Lie to get what I came for
Lie to get just what I need
Lie to get what I crave
Lie and smile to get what's mine I am what I'm after
Don't need another friend
Nod and watch your lips move
If you need me to pretend Because clever got me this far
Then tricky got me in
I'll take just what I came for
Then I'm out the door again Lie to get what I came for
Lie to get what I need now
Lie to get what I'm craving
Lie and smile to get what's mine Give this to me
Mine, mine, mine
Take what's mine
Mine, mine, mine
Take what's mine
Mine, mine, mine Lie to get what I came for
Lie to get what I need now
Lie to get what I crave
Lie, just smile and get what's mine Give this to me
Take what's mine
Mine, mine, mine
Take what's mine
Give this to me Take what's mine
Take what's mine
Mine, take what's mine

Take what's mine
Take what's mine
This is mine, mine, mine
