The Package

A Perfect Circle

Clever got me this far

Then tricky got me in

I am what I'm after

I don't need another friendSmile and drop the cliche

Till you think I'm listening

Take just what I came for

Then I'm out the door againPeripheral on the package

Don't care to settle in

Time to feed the monster

I don't need another friendComfort is a mystery

Crawling out of my own skin

Just give me what I came for

Then I'm out the door againLie to get what I came for

Lie to get just what I need

Lie to get what I crave

Lie and smile to get what's mineI am what I'm after

Don't need another friend

Nod and watch your lips move

If you need me to pretendBecause clever got me this far

Then tricky got me in

I'll take just what I came for

Then I'm out the door againLie to get what I came for

Lie to get what I need now

Lie to get what I'm craving

Lie and smile to get what's mineGive this to me

Mine, mine, mine

Take what's mine

Mine, mine, mine

Take what's mine

Mine, mine, mineLie to get what I came for

Lie to get what I need now

Lie to get what I crave

Lie, just smile and get what's mineGive this to me

Take what's mine

Mine, mine, mine

Take what's mine

Give this to meTake what's mine

Take what's mine

Mine, take what's mine

Take what's mine
Take what's mine
This is mine, mine, mine
