Take It to the Limit (Alternative Mix) [Live]

Randy Meisner

All alone at the end of the of the evening
And the bright lights have faded to blue
I was thinking 'bout a woman who might have
Loved me and I never knew
You know I've always been a dreamer

(spent my life running 'round)

And it's so hard to change

(Can't seem to settle down)

But the dreams I've seen lately

Keep on turning out and burning out

And turning out the sameSo put me on a highway

And show me a sign

And take it to the limit one more timeYou can spend all your time making moneyYou can spend all your love making time

If it all fell to pieces tomorrow

Would you still be mine? And when you're looking for your freedom

(Nobody seems to care)

And you can't find the door

(Can't find it anywhere)

When there's nothing to believe in

Still you're coming back, you're running back

For moreSo put me on a highway

And show me a sign

And take it to the limit one more timeTake it to the limit

Take it to the limit

Take it to the limit one more time
