

More Than Meets The Eye

The Bangles

He's got a slow, slow ride
Got a camera inside
He takes a picture
Hangs it up to dry. And there's one girl named
And another disclaimed
All the time
You can't help feelin' ashamed. Given new reasons to survive
He keeps a number of them alive
There's a warning in the sky
A stranger passing by
And there's more than meets the eye to the guy. When you're so secure
Never feeling unsure
That's the time
To check behind your door. 'Cause there's one thing said
When another is meant
He's around
Confusing you 'til the end. Seeing how changeable you feel
Don't think this happiness is real
And it's hard to justify
The tangles you untie
There's more than meets the eye to the guy.
