

# Dying In Your Arms (Feat. Jazmine Sullivan)

T.I.

[Verse 1: T.I.]

Say girl

Ay, been holding on to you all night

So all my body feel wrong but its all right

I know you probably thinking you don't even know me (I Know)

But girl the club in the close what it gon' be

I'm tryna tell you when your place hit the poppin'

808 get you droppin' [?]

So much temptation when her waist get the rockin'

And her eyes in a locket

Can't stop it girl i'm ready to die

I say i'm ready to die

[Chorus: Jazmine Sullivan]

So don't let go of me now

Cause i'm dying in your arms tonight

Tell all my people around

That i'll see them in the after life

Cause something this big can't get that bad

So I really don't think again

Never ever come down

Your love has got me feelin' like

Imma die in your arms tonight

(You could be dying in the hands of a better man)

(So is you ready to die)

Imma die in your arms tonight (Girl is you ready to die)

(You could be dying in the hands of a better man)

(Girl is you ready to die)

(Hey is you ready to die)

[Verse 2: T.I.]

Hey living is over ratted

I see heaven when you make it

In your eyes in your thighs girl

I swear to god

Ive been waitin' so i'm patient

Yeah, for you to take it off

Thoughts in my head are racing all day by chasing your waterfall

See time is of the essence

I got none to waste it all

Ain't that a lesson so childish games I don't play it all

My partner say i'm whip they be hatin' I know why  
In your arms girl i'm ready to die  
I say i'm ready to die[Chorus: Jazmine Sullivan]  
So don't let go of me now  
Cause i'm dying in your arms tonight  
Tell all my people around  
That i'll see them in the after life  
Cause something this big can't get that bad  
So I really don't think again  
Never ever come down  
Your love has got me feelin' like  
Imma die in your arms tonight This might be the last night that they see me  
So tell everyone that I love  
Got this mess through my heart completely  
So I won't (I won't)  
Be coming back (Come back)  
Cause i'm sprung[Chorus: Jazmine Sullivan]  
So don't let go of me now  
Cause i'm dying in your arms tonight  
Tell all my people around  
That i'll see them in the after life  
Cause something this big can't get that bad  
So I really don't think again  
Never ever come down  
Your love has got me feelin' like So don't let go of me now  
Cause i'm dying in your arms tonight  
Tell all my people around  
That i'll see them in the after life  
Cause something this big can't get that bad  
So I really don't think again  
Never ever come down  
Your love has got me feelin' like  
Imma die in your arms tonight  
(You could be dying in the hands of a better man)  
(So is you ready to die)  
Imma die in your arms tonight (Girl is you ready to die)  
(You could be dying in the hands of a better man)  
(Girl is you ready to die)  
Imma die in your arms tonight (Girl is you ready to die)  
(You could be dying in the hands of a better man)  
(Girl is you ready to die)  
Imma die in your arms tonight (Girl is you ready to die)  
(You could be dying in the hands of a better man)  
(Girl is you ready to die)  
(Hey is you ready to die)
