Only You

Rotimi

Something bout how you move
Baby changed my ways for you
Made me not wanna play with you
All in and I'm not confused
There was something behind your eyes
That made me want to try
For real for the first time
No No No I can't lieHow you do it to me
Baby I can never lie to you
Yeah Yeah Yeah
Everybody wanna know what you be doing over there
How you gatta nigga focused on you and only you
Swear you gatta nigga focused on you and only you
No I don't see noboby else
But the other hoes, don't compare to you
Swear you in a league all by yourself
Girl you something special, I'm just saying
How you do it to meHow you do it to me
Baby I can never lie to you
Yeah Yeah Yeah
Everybody wanna know what you be doing over there
How you gatta nigga focused on you and only you
Swear you gatta nigga focused on you and only youGot me losing track of days of the week, Yeah
All I wanna do is lay up and freak, Yeah
Girl the way you make it rain on me, Yeah
Hit the mall and everything on me, Yeah
Sace, Sace, Sace, Sace, All over
I won't coat check on nobody but you
So will you walk through, shut shit down
I just gatta let you know
How you do it to me
Baby I can never lie to you
Yeah Yeah Yeah
Everybody wanna know what you be doing over there
How you gatta nigga focused on you and only you
Swear you gatta nigga focused on you and only youNo I don't see noboby else
But the other hoes, don't compare to you
Swear you in a league all by yourself
Girl you something special, I'm just saying

How you do it to meHow you do it to me
Baby I can never lie to you
Yeah Yeah Yeah
Everybody wanna know what you be doing over there
How you gatta nigga focused on you and only you
Swear you gatta nigga focused on you and only you
