

You're the Voice

[Rebecca St. James](#)

We have the chance to turn the pages over

We can write what we want to write

We gotta make ends meet before we get much older
We're all someone's daughter, we're all someone's son
How long can we look at each other down the barrel of a gun?
You're the voice, try and understand it, make a
noise and make it clear

We're not gonna sit in silence, we're not gonna live with fear
This time, you know we all can stand together
With the power to be powerful believing, we can make it better
We're all someone's daughter, we're all
someone's son

How long can we look at each other down the barrel of a gun?
You're the voice, try and understand it, make a
noise and make it clear

We're not gonna sit in silence, we're not gonna live with fear
You're the voice, try and understand it, make a
noise and make it clear

We're not gonna sit in silence, we're not gonna live with fear
We're all someone's daughter, we're all
someone's son

How long can we look at each other down the barrel of a gun?
You're the voice, try and understand it, make a
noise and make it clear

We're not gonna sit in silence, we're not gonna live with fear
You're the voice, try and understand it, make a
noise and make it clear

We're not gonna sit in silence, we're not gonna live with fear
You're the voice, try and understand it, make a
noise and make it clear

We're not gonna sit in silence, we're not gonna live with fear
