Don't Put Me Out

R. Kelly

Baby, now I realize
All of those times I told you I loved you
I just didn't show it I'm sorryDon't put me out
Don't put me out
Don't put me outI remember when you said to me
Don't talk about it be about it
I should have felt you when you said to me
That you were all aloneI act like I was doing a favor
For you 'cuz you were with me
Something let me thinking that whatever happens
This would be my home but I was wrong
How could I have been so low?
I wrote a song all about it
Wanna hear it, here we go, from now onI won't talk about lovin' you
'Cuz I'm gonna be about lovin' you
I won't talk about comin' home
'Cuz I'm gonna be about comin' home
I won't talk about both of us
'Cuz I'm gonna be about both of us
I won't talk about makin' sweet love
'Cuz I'm gonna be about makin' sweet loveNow I remember when we used the crib in Studio 12A
Clothes and pallets on the floor makin' sweet love night till day
Used to say I wanna have a baby boy and call him, "Man"
But now it's all gone up in smoke and baby, I don't understandAll I know that is I was wrong
How could I have stooped so low?
I wrote a song about it
All about it, wanna hear it
Here we go, from now onI won't talk about lovin' you
'Cuz I'm gonna be about lovin' you
I won't talk about comin' home
'Cuz I'm gonna be about comin' home
I won't talk about both of us
'Cuz I'm gonna be about both of us
I won't talk about makin' sweet love
'Cuz I'm gonna be about makin' sweet loveNow all the money in the world could not add up to what you did
'Cuz when I was down and out you took the burden off of me
I never thought that when I took her out somehow it'd cause me pain
I was rooming at the Drake, how the hell you found my name?Damn, I was wrong
How could I have stooped so low?

I wrote a song
All about it, wanna hear it
Here we go, from now onI won't talk about lovin' you
'Cuz I'm gonna be about lovin' you
I won't talk about comin' home
'Cuz I'm gonna be about comin' home
I won't talk about both of us
'Cuz I'm gonna be about both of us
I won't talk about makin' sweet love
'Cuz I'm gonna be about makin' sweet love
I won't talk about lovin' you
'Cuz I'm gonna be about lovin' youGirl, open up the door and let me in this house
Please baby, I'm tired of banging on this door
The neighbors say I'm loud, honey, I beg of youDon't put me out
Don't put me out
Don't put me out
