Chain Reaction

Bryan Ferry

From time to time you get the sign
Move your body right next to mine
From day to day you get nowhere
Oh baby don't leave me thereLovey dovey on me
Lovey dovey on me
And when you tell me pass it on
I'll pass it on
It's a chain reaction it never stop
What's on your mindA chain reaction it never stop
Think about you all the time
Oh baby what's on your mind
No sympathy dedicate it to memory
Oh turn it on treat me square
How can I be everywhere boyI'm down on my knees
Down on my knees
Lovey dovey on me
Lovey dovey on me
And when you tell me pass it on
I'll pass it on
