

Cry

Crocy

(feat. Ashley Berndt)

Look into my eyes
I'll love you forever
You're on my mind
You'll make me high
So why can't you try?
You know that I miss you
I want you, I love you
I need you, I'm blind
Don't make me cry

Don't make me cry
Look into my eyes
I'll love you forever
You're on my mind
You'll make me high
So why can't you try?
You know that I miss you
I want you, I love you
I need you, I'm blind
Don't make me cry
