Texas Never Whispers

Pavement

Here we go
She's on a hidden tableau
Just a 2 for 1 and the 2 for 1
Is right down my alley side
I'm just a wasted behindDon't you know
It's an easy thing
When it's lost
Doesn't show whenThe ends are frayed
And it's tossed out
Lined with silver thread
I've seen your wasted behindShe's so lackadaisical
Should have been
A west coast bride
Back seat on Electra GlidePilots flying, drive by fades
Don't hold your breath too long
This tunnel is a Texas mile
Callow teasing yellow eyes
Bleacher dates the second prizeCherry pickin' favorites
My dash was locked
I guess I feel fine
The way the river bends
The woman's bending over meBa-da-da-da ba-da-da-da
(Texas, Texas, Texas, Texas)
