So Close

Kidnap Kid

I wait each day to be with you
So long , so far gone I crave youAnd the troubles that I feel
Disappear when you are near
And the moments that we share
They make me feel repairednow we're so close
That nothing could tear us away
We'll never fall
As long as we're in the same placeSo close
That nothing could tear us away
We'll never fall
For you I will always waitI try each night to please you
Show you I can do anything you want me toSo the troubles that you feel
Disappear when I am near
And the moments that we share
They make you feel repairedNow we're so close
That nothing could tear us away
We'll never fall
As long as we're in the same placeEverything you do
That always pulls me through
Ye every single move
Keeps me drawn to youSo close
That nothing could tear us away
No we'll never fall
For you I will always wait
