Marvelous Light

Hallal Music

Into marvelous light I'm running
Out of darkness, out of shame
By the cross You are the truth
You are the life, You are the wayI once was fatherless
A stranger with no hope
Your kindness wakened me
Awakened me, from my sleepYour love it beckons deeply
A call to come and die
By grace now I will come
And take this life, take Your lifeSin has lost it's power
Death has lost it's sting
From the grave You've risen
VictoriouslyInto marvelous light I'm running
Out of darkness, out of shame
By the cross You are the truth
You are the life, You are the wayMy dead heart now is beating
My deepest stains now clean
Your breath fills up my lungs
Now I'm free, now I'm freeSin has lost it's power
Death has lost it's sting
From the grave You've risen
VictoriouslyInto marvelous light I'm running
Out of darkness, out of shame
By the cross You are the truth
You are the life, You are the wayInto marvelous light I'm running
Out of darkness, out of shame
By the cross You are the truth
You are the life, You are the wayLift my hands and spin around
See the light that I have found
Oh the marvelous light
Marvelous lightLift my hands and spin around
See the light that I have found
Oh the marvelous light
Marvelous lightSin has lost it's power
And death has lost it's sting
From the grave You've risen
VictoriouslyInto marvelous light I'm running
Out of darkness, out of shame
By the cross You are the truth

You are the life, You are the wayInto marvelous light I'm running
Out of darkness, out of shame
By the cross You are the truth
You are the life, You are the wayLift my hands and spin around
See the light that I have found
Oh the marvelous light
Marvelous light, marvelous light
