Planet Telex

Secret Society

You can force it
But it will not come
You can taste it
But it will not formYou can crush it
But it's always here
You can crush it
But it's always nearChasing you home saying
Everything is broken
Everyone is brokenYou can force it
But it will stay stung
You can crush it
As dry as a boneYou can walk it home
Straight from school
You can kiss it
You can break all the rules, all the rulesBut still
Everything is broken
Everyone is brokenEveryone is, everyone is broken
Everyone is, everything is brokenWhy can't you forget?
Why can't you forget?
Why can't you forget?
