

# I Got A Right

## Misfits

Anytime I want, I got a right to move  
No matter what they say  
Anytime I want, I got a right to move  
No matter what they say  
I got a right, I got a right to move  
Anytime I want, anytime  
I got a right, I got a right to move  
Anytime I want

Anytime I want, I got a right to sing  
No matter what they say  
Anytime I want, I got a right to sing  
No matter what they say  
I got a right, I got a right to sing  
Anytime I want  
I got a right, I got a right to sing  
Anytime I want
