Eyes On Fire

Blue Foundation

I'll seek you out,
Flay you alive
One more word and you won't survive
And I'm not scared of your stolen power
I see right through you any hour
I won't soothe your pain
I won't ease your strain
You'll be waiting in vain
I got nothing for you to gain
I'm taking it slow
Feeding my flame
Shuffling the cards of your game
And just in time
In the right place

Suddenly I will play my ace
I won't soothe your pain
I won't ease your strain
You'll be waiting in vain
I got nothing for you to gain
Eyes on fire
Your spine is ablaze
Felling any foe with my gaze
And just in time
In the right place
Steadily emerging with grace
Felling any foe with my gaze
Steadily emerging with grace
Felling any foe with my gaze
Steadily emerging with grace
