

I'm Payin' for It Now

[Trace Adkins](#)

Well, I never really did anything wrong
But I guess, I didn't do much right
So it caught me off guard, when I got home
And you weren't here tonight
Your note says, I'm gonna be sorry
And that one of these days, I'm gonna pay
Well, you don't know, what you're talkin' about
You think, you've got it all figured out
Well, I hate to be the one to break it to you
But when you said, someday
That I would pay for lettin' you down
You were wrong
'Cause I'm payin' for it now
Well, I really didn't think, I could hurt anymore
Till you called me on the phone
You said, you didn't wanna talk, just had to be sure
That I didn't miss your note
Well, I think it's around here somewhere
And oh, baby, by the way
You don't know, what you're talkin' about
You think, you've got it all figured out
Well, I hate to be the one to break it to you
But when you said, someday
That I would pay for lettin' you down
Girl, you were wrong
'Cause I'm payin' for it now
