

# Only If I

## Massari

Only if i .. only if i ..  
only  
only if i can be your man  
did you have to take that away from me?  
you see me doing all that i can ..  
Only if .. only if .. Only if i caught you in the lies  
Only If  
Only if i never closed my eyes  
Only If  
Only if you were to tell the truth  
Only If  
Only if that person wasn't you  
Only If  
Only if you never took my heart  
Only If  
Only if i left you in the dark  
Only If  
Only if i wasn't all alone  
Only If  
Only if you were my own .. my own Only .. Only ..  
Only if i can be your man  
did you have to take that away from me?  
you see me doing all that i can ..  
Only if .. only if ..  
Only if i ..  
Only if i can be your man .. your man  
Why do you have to take that away from me  
I guess it wasn't part of the plan .. it wasn't part of the plan  
Only if .. only if .. Only if i could turn back the time  
Only If  
Only if you weren't on my mind  
Only If  
Only if i woulda had a clue  
Only If  
Only if you woulda loved me too  
Only If  
Only if you never took my heart  
Only If  
Only if i left you in the dark

Only If  
Only if i wasn't all alone  
Only If  
Only if you were my own .. my own .. Only .. Only ..  
Only if i can be your man .. your man  
did you have to take that away from me  
you see me doing all that i can ..  
Only if .. only if ..  
Only if i ..  
Only if i can be your man  
Why do you have to take that away from me?  
I guess it wasn't part of the plan .. it wasn't part of the plan  
Only if .. only if .. Ahhhh .. Ahhhh Ahhhhh Ahhhhh ..  
Only if i can be your man  
Ahhh .. Ahhhhhh .. Ahhhh . Ahhhh ..  
I guess it wasn't part of the plan Only .. Only ..  
Only if i can be your man  
did you have to take that away from me?  
you see me doing all that i can ..  
Only if .. only if ..  
Only if i ..
