# Anything Good About Me

## Edwin Mccain

Rolled in last night to the dawn, the porch and all the floodlights
No excuse but we were having such a good time
Why, oh why, can't I just walk the straight and narrow
So ashamed but I'll do it all again tomorrow
Maybe you're the only one that sees
Anything good about me, good about me
Anything good about me, yea
I found a friend to get the number just to call you
Line was jammed I tried and tried just could not get through
All those calls to warn you of my scoundrel heart
All those walls, but still they can't keep us apart
Maybe you're the only one that sees
Anything good about me, good about me
And anything good about me, yea
And I promise to take care and love you
If you promise to keep seeing
Anything good about me
Well I swear sometimes there's asphalt running through my veins
And let me go and never ever pull my reins
And I'll return with cuts and bruises, scarred but smarter
Lick my wounds and try again just twice as hard
Maybe you're the only one that sees
Anything good about me, yea
Anything good about me, yea yea
Anything good about me
