

# Shine On You Crazy Diamond

David Gilmour

Remember when you were young  
You shine like the sun  
Shine on you crazy diamond Now there's a look in your eyes  
Like black holes in the sky  
Shine on you crazy diamond You were caught on the cross fire  
Of childhood and stardom  
Blown on the steel breeze  
Come on you target for faraway laughter  
Come on you stranger  
You legend, you martyr and shine You reached for the secret too soon  
You cried for the moon  
Shine on you crazy diamond Threatened by shadows at night  
And exposed in the light  
Shine on you crazy diamond Well, you wore out your welcome  
With random precision  
Rode on the steel breeze  
Come on you raver, you seer of visions  
Come on you painter  
You piper, you prisoner and shine
