Savior (feat. Quavo)

Iggy Azalea

[Pre-Chorus: Iggy Azalea]
Cuz my heart beats for you only
I wonder if you even know me
Countin' down every moment
That I wait for ya, I wait for ya
I wonder if you even notice
Lately I've been feelin' hopeless
Easy to lose focus, but I'll wait for ya[Chorus: Quavo]
I've been looking for a savior (hey)
I've been looking for a savior (hey)
I've been looking for a hero in my corner
I've been looking for a savior
A savior, to save me
[Pre-Chorus: Iggy Azalea]
Cuz my heart beats for you only
I wonder if you even know me
Countin' down every moment
That I wait for ya, I wait for ya
I wonder if you even notice
Lately I've been feelin' hopeless
Easy to lose focus, but I'll wait for ya
[Chorus: Quavo]
I've been looking for a savior (hey)
I've been looking for a savior (hey)
I've been looking for a hero in my corner
I've been looking for a savior
A savior, to save me
