

# I Stay In Love

Mariah Carey

Why do I stay  
Why do I stay in love?  
Oh, baby  
Baby, I stay in love with you Dying inside 'cause I can't stand it  
Make or break up, can't take this madness  
We don't even really know why  
All I know is, baby, I try and try so hard to keep our love alive If you don't know me at this point  
Then I highly doubt you ever will  
I really need you to give me  
That unconditional love I used to feel  
It's no mistaking, we're just erasing from our hearts and minds And I know we said let go but I kept on hanging  
on  
Inside I know it's over, you're really gone  
It's killing me 'cause there ain't nothing that I can do  
Baby, I stay in love with you And I keep on telling myself that you'll come back around  
And I try to front like, "Oh well," each time you let me down  
See I can't get over you now no matter what I do  
But baby, baby, I stay in love with you Na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na  
Baby, I stay in love with you It cuts so deep, it hurts down to my soul  
My friends tell me I ain't the same no more  
We still need each other when we stumble and fall  
How we gon' act like what we had, ain't nothing at all now Hey, what I wanna do is ride shotgun next to you  
With the top down like we used to hit the block, proud in the SUV  
We both know our heart is breaking  
Can we learn from our mistakes?  
I can't last one moment alone, now go I know We said let go but I kept on hanging on  
Inside I know it's over, you're really gone  
It's killing me 'cause there ain't nothing that I can do  
Baby, I stay in love with you And I keep on telling myself that you'll come back around  
And I try to front like "Oh well," each time you let me down  
See I can't get over you now no matter what I do  
But baby, baby, I stay in love with you We said let go but I kept on hanging on  
Inside I know it's over, you're really gone  
It's killing me 'cause there ain't nothing that I can do  
Baby, I stay in love with you And I keep on telling myself that you'll come back around  
And I try to front like, "Oh well," each time you let me down  
See I can't get over you now no matter what I do

But baby, baby, I stay in love with youNa, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na  
Na, na, na, na  
I stay in love with you
