

# Burning The Cross

## Mercyful Fate

Riding out and summed up for they know their destination  
Demons and witches and leaving less perceptions  
Breaking religion by burning the cross  
Breaking religion, burning the cross  
Travelling in darkness, afraid of recognition  
Evil ambitions, they're planning the destruction  
Breaking religion by burning the cross  
Breaking religion, burning the cross  
Oh you gotta see them riding through the darkness and stay in the night  
Unholy light  
You gotta see them riding through the darkness and stay in the night  
Unholy light  
You gotta see them riding through the darkness and stay in the night  
Yeah  
Riding out and summed up for they know their destination  
Demons and witches and leaving less perceptions  
Breaking religion by burning the cross  
Breaking religion, burning the cross  
Oh yeah they're burning the cross [X2]  
Hear what they say, 'cause they do not go home. [X2]  
Oh you gotta see them riding through the darkness and stay in the night  
Unholy light  
You gotta see them riding through the darkness and stay in the night  
Unholy light  
You gotta see them riding through the darkness and stay in the night  
Yeah  
Doomsday reflections  
Above the clouds high in the sky  
Doomsday infections  
In their heads and in their minds  
Doomsday reflections  
Above the clouds high in the sky  
Doomsday infections  
In their heads and in their minds  
You'll be burning the cross
