

Chances Are (feat. Martina McBride)

Bob Seger

(Bob Seger)Chances are you'll find me
Somewhere on your road tonight
Seems I always end up driving by
Ever since I've known you
It just seems you're on my wayAll the rules of logic don't apply
I long to see you in the night
Be with you 'til morning light
I remember clearly how you looked
The night we met
I recall your laughter and your smile
I remember how you made me
Feel so at ease
I remember all your grace and your styleAnd now you're all I long to see
You've come to mean so much to meChances are I'll see you
In my dreams tonight
You'll be smiling like the no(i not o)ght we met
Chances are I'll hold you and I'll offer
All I haveYou're the only one I can't forget
Baby you're the best I've ever met
And I'll be dreaming of the future
And hoping you'll be by my side
And the morning I'll be longing for the night
For the night
