Don't

Terry Lewis

When you walked in my world
I was someone else's girl
Every time you look in my eyes
All that I felt somehow dies
No no no no
Can't you see what you're doing to me
No no no no
Don't look at me with that smile
Don't act like everything's fine
Stop putting dreams in my head
When I should've thought of him instead
When you say the things you do
It makes me want to be with you
Every time that he kisses me
You are always what I see
No no no no
You make me forget about him
No no no no
Don't look at me with that smile
Don't act like everything's fine
Stop putting dreams in my head
When I should've thought of him instead
When I should've thought of him instead
No no no no
Can't you see what you're doing to me
No no no no
Don't look at me with that smile
Don't act like everything's fine
Stop putting dreams in my head
When I should've thought of him instead
Don't look at me with that smile
Don't act like everything's fine
Stop putting dreams in my head
When I should've thought of him instead
When I should've thought of him instead
