

Sunset Lover

Petit biscuit

Honey, you're always looking so lovely
Don't you ever let go of me
'Cause I will surely lose my mind I will kiss you
To let your lips know my love is true
Please excuse me if I'm acting rude
But I've just gotta let you know that You drive me completely crazy
Completely crazy, completely crazy
For my sunset lover tonight You know how far I'm prepared to go
I will be a boat and row
Your beauty to the moon
If that's okay with you I hope you don't mind
If I get lost inside your eyes
Please excuse me if I don't imply
But I've just gotta let you know that You drive me completely crazy
Completely crazy, completely crazy
For my sunset lover tonight Sunset lover, like stupid carrot top
Sit thinking while awake
And barely blinking
What have we been drinking It's time to take it to the next step
With sweet quiet kisses
From sunset lover tonight You drive me completely
You drive me completely crazy
Completely crazy, completely crazy
For my sunset lover tonight You drive me completely crazy
Oh, completely crazy
Baby, you drive, crazy for my sunset lover
My sunset lover tonight Baby, I'm crazy tonight
You drive me crazy for, crazy for my
Completely crazy
Completely crazy in love
Completely crazy in love
