Evolution

Me'Shell NdegÃ©ocello

No eyes, no more tears to cry
No tongue to hurt you
Be angry or lie, no wings to fly
Seek shelter

You'll find in each lifetime

Evolution's end
Evolution's ending
The bird beneath the sun
The bird beneath the sun

Jesus is coming to tell you
He is not God
State of all the world
Will roll up the heavens within His hand

At evolution's end
The bird beneath the sun
Evolution's ending
The bird beneath the sun

The bird beneath the sun
The bird beneath the sun
Evolution's ending
The bird beneath the sun
