

# Evolution

Me'Shell NdegÃ©ocello

No eyes, no more tears to cry  
No tongue to hurt you  
Be angry or lie, no wings to fly  
Seek shelter

You'll find in each lifetime

Evolution's end  
Evolution's ending  
The bird beneath the sun  
The bird beneath the sun

Jesus is coming to tell you  
He is not God  
State of all the world  
Will roll up the heavens within His hand

At evolution's end  
The bird beneath the sun  
Evolution's ending  
The bird beneath the sun

The bird beneath the sun  
The bird beneath the sun  
Evolution's ending  
The bird beneath the sun
