

Strange World

Iron Maiden

The only place where you can dream
Livin' here is not what it seems
Ship of white light in the sky
Nobody there to reason why
Here I am, I'm not really there
Smilin' faces ever so rare
A let's walk in deepest space
Livin' here just isn't the place Oh oo Stalks of light come from the ground
When I cry there isn't a sound
All my feelin's cannot be held
I'm happy in my new strange world
Shades of green grasses twine
Girls drinkin' plasma wine
A look at love, a dream unfolds
Livin' here you'll never grow old, ooh yeah Don't you hear me call?
Ooh ooh ooh
