People Are Strange

The Doors

People are strange when you're a stranger Faces look ugly when you're alone Women seem wicked when you're unwanted Streets are uneven when you're downWhen you're strange faces come out of the rain When you're strange no one remembers your name When you're strange, when you're strange When you're strangePeople are strange when you're a stranger Faces look ugly when you're alone Women seem wicked when you're unwanted Streets are uneven when you're downWhen you're strange faces come out of the rain When you're strange no one remembers your name When you're strange, when you're strange When you're strange, alright, yeahWhen you're strange faces come out of the rain When you're strange no one remembers your name When you're strange, when you're strange When you're strange
