

Wake Up

Maddi Jane

Day 1, I've made up my mind
Wouldn't spend my time on you
Day 2, Looked into my eyes
Took over my mind, it's trueAnd now the tables are turning
My head is spinning and swerving
I can't control how I'm feeling about you
And now it's too late to fight it
No matter how hard I try it
Is this a dream or a nightmare I'm bound to?My walls are crashing down
I'm loosing ground, could really use some help
Right now, I'm screaming out but there's no sound
I need to tell myself to wake up
You've been asleep long enough (wake up)
You need to get up and run (wake up)
Don't tell me you're giving up, better not, better not,
Better not be falling in loveWhy me? Said I wouldn't let
You're under my skin, like this
Funny, this turned out to be such a bittersweet plot twistAnd now the tables are turning
My head is spinning and swerving
I can't control how I'm feeling about you
And now it's too late to fight it
No matter how hard I try it
Is this a dream or a nightmare I'm bound to?My walls are crashing down
I'm loosing ground, could really use some help
Right now, I'm screaming out but there's no sound
I need to tell myself to wake up
You've been asleep long enough (wake up)
You need to get up and run (wake up)
Don't tell me you're giving up, better not, better not,
Better not be falling in love'Cause you said you don't
Need anyone so tell me how could
You let him go this far with your heart
When you don't ever know what's in store
Your love you can't be sure so, oh oh ohhMy walls are crashing down
I'm loosing ground, could really use some help
Right now, I'm screaming out but there's no sound
I need to tell myself to wake up
You've been asleep long enough (wake up)
You need to get up and run (wake up)

Don't tell me you're giving up, better not, better not,
Better not be falling in love
