Diamonds In the Rough

Honeytree

Diamond In The Rough

Donâ€™t give up no matter what you do
Your God isnâ€™t through with you
Someday you will be a polished living stone
Though now you are a diamond in the rough.

Diamond in the rough
Diamond in the rough

Donâ€™t give in, not even if you sin
Just cast all your cares on Him
Someday you will be a polished living stone
Though now you are a diamond in the rough.

Diamond in the rough
Diamond in the rough

Love your neighbour as you love yourself
But you must learn to love yourself
Someday you will be a polished living stone
Though now you are a diamond in the rough.

Esteem your brother higher, higher than yourself
But you must esteem yourself
Someday you will be a polished living stone
Though now you are a diamond in the rough.

Diamond in the rough
Diamond in the rough
You are a diamond,
You are a diamond
You are a diamond
