Can't Help Myself

Destiny's Child

Never lost that feeling
Once I got that feeling for you I knew
That there was something special
You had a certain sparkle bout you, it's true
I cannot be more sincere
Boy whenever you are near
I just lose my mind, I get weak inside
Swear I can do anything, yeah and I...
I can't help myself
I'm in love with you and nobody else
It's real as hell
And I can't deny it's how I feel
Never did stop falling
Once you started calling for me, so deep
Living in denial, couldn't see what you saw in me
Ooooh, baby, baby, now I
I can see it all so clear
I have nothing left to fear
With you by my side, ain't no need to hide

I can tell you anything
I can't help myself
I'm in love with you and nobody else
It's real as hell
And I can't deny it's how I feel
Feel... feel... feel
I (I can't help myself)
Can't help (I can't help myself)
Myself (Oooh)
Ooh, baby, baby now I
I can see it all so clear
I have nothing left to fear
With you by my side ain't no need to hide
I can tell you anything
I can't help myself
I'm in love with you and nobody else
It's real as hell
And I can't deny it's how I feel
