

Won't Be Long

Rusted Root

Won't be long, my lady
Won't be long, my lady
Won't be long, my lady love Won't be long, my lady
Won't be long, my lady
Won't be long, my lady love Sweet (Sweet), oh, look at the birds
Sweet (Sweet), oh, look at the daybreak
Say, I see Don't be shakin' that monkey paw thang
Don't be shakin' that monkey paw thang
Don't be shakin' that monkey paw thang Don't be shakin' that monkey paw thang
Don't be shakin' that monkey paw thang
Don't be shakin' that monkey paw thang
Don't be shakin' that
Won't be long, my lady
Won't be long, my lady
Won't be long, my lady love Won't be long, my lady
Won't be long, my lady
Won't be long, my lady love Sweet (Sweet), oh, look at the birds
Sweet (Sweet), oh, look at the daybreak
(The birds, look at the birds) (Sweet)
Won't be long (No)
Won't be long
Won't be long, yeah
Won't be long
Won't be long (Won't be long)
Won't be long, yeah, I sing now Don't be shakin' that monkey paw thang
Don't be shakin' that
Don't be shakin' that
Don't be shakin' that Sweet (Sweet), oh, little girl
Sweet (Sweet), oh, look at the birds Won't be long, my lady
Won't be long, my lady
Won't be long, my lady love Won't be long, my lady
Won't be long, my lady
Won't be long, my lady love Yeah, yeah
Bringing down the walls
