

Dark End of the Street

Marching Church

The Dark End Of The Street-Marching Church
At the dark end of the street that's where we'll always meet
Hiding in shadows where we don't belong
Living in darkness to hide our wrongs you and me
At the dark end of the street you and me
I know that time's gonna take it's toll
We'll have to pay for the love that we stole
Oh it's a sin and we both know that we're wrong
But our love keeps coming on strong you and me
At the dark end of the street you and me
They're gonna find us they're gonna find us
They're gonna find us someday
We'll steal away to the dark end of the street you and me
If you should take a walk downtown and find some time to look around
If you should see me and I walk on by
Oh darling please don't cry tonight we'll meet
At the dark end of the street you and me
Tonight while me
At the dark end of the street You and me
