

# Call Me (Chris Cox Radio)

[Anna Vissi](#)

Call me  
I'm feeling  
So lonely  
I'm lost without you Call me  
All I'm asking  
Is to hold me  
Just one more time Sleepless nights of sweat and agony  
Thinking how it all went wrong for me  
Baby please  
My life depends on you  
There's no one else  
I'm still in love with you  
Call me  
I'm feeling  
So lonely  
I'm lost without you Call me  
All I'm asking  
Is to hold me  
Just one more time Please  
Call me  
I'm feeling  
So lonely  
I need to hear your voice Call me  
All I'm asking  
Is to give me  
One last chance  
Cause I know  
I'm nothing without you  
I know  
You're all that matters  
I know  
You're the only one baby  
I know  
Don't let me down Playing our cds  
Going through our photographs  
It's breaking my heart  
Baby what's wrong with us  
It's half past 3  
And I can't sleep tonight

I'm thinking of you  
Just like I did last nightCall me  
I'm feeling  
So lonely  
I'm lost without youCall me  
All I'm asking  
Is to hold me  
Just one more timePlease  
Call me  
I'm feeling  
So lonely  
I need to hear your voiceCall me  
All I'm asking  
Is to give me  
One last chanceCause I know  
I'm nothing without you  
I know  
You're all that matters  
I know  
You're the only one baby  
I know  
Don't let me downCall me  
I'm feeling  
So lonely  
I'm lost without youCall me  
All I'm asking  
Is to hold me  
Just one more timePlease  
Call me  
I'm feeling  
So lonely  
I need to hear your voiceCall me  
All I'm asking  
Is to give me  
One last chanceCause I know  
I'm nothing without you  
I know  
You're all that matters  
I know  
You're the only one baby  
I know  
Don't let me downI Know
