I Want It Back

Pieta Brown

I want it back
No matter what you say
No matter what you do
I want it back
& I'm laying all my love
Down for youI want it back
The sun, the clouds
& the pure morning dew
I want it back
& I'm laying all my love
Down for youHere it comes, here it comes, here comes my love
I want it back
I want to walk
Slowly down the avenue
I want it back
& I'm laying all my love
Down for youI want it back
Before the rain
The sound of the birds coming through
I want it back
& I'm laying all my love
Down for youI want it back
The playing field
When first it was new
I want it back
& I'm laying all my love
Down for you
I want it back
The deep singing green
In the red, white, and blue
I want it back
& I'm laying all my love
Down for youHere it comes, here it comes, here comes my loveI want it back
The creed in the sand
The ocean drew
I want it back
& I'm laying all my love
Down for youI want it back
I want to give

It all back too
I want it back
& I'm laying all my love
Down for you
