

Holy Diver

Ski King

Holy Diver

You've been down too long in the midnight sea

 Oh what's becoming of me

 Ride the tiger

You can see his stripes but you know he's clean

 Oh don't you see what I mean

 Gotta get away

 Holy Diver... yeah

 Shiny diamonds

Like the eyes of a cat in the black and blue

 Something is coming for you

 Look out!

 Race for the morning

You can hide in the sun 'till you see the light

 Oh we will pray it's all right

 Gotta get away, get away

 Between the velvet lies

There's a truth that's hard as steel... yeah

 The vision never dies

Life's a never ending wheel... said

Holy Diver

You're the star of the masquerade

No need to look so afraid, jump, jump!

 Jump on the tiger

You can feel his heart but you know he's mean

 Some light can never be seen... yeah

Holy Diver

You've been down too long in the midnight sea

 Oh what's becoming of me, no, no!

 Ride the tiger

You can see his stripes but you know he's clean

 Oh don't you see what I mean

 Gotta get away, get away

 Gotta get away, get away... yeah

Holy Diver, so survivor, you know he's clean

 Holy Diver, Holy Diver

Never come to knew, coming after you, Holy Diver

 Holy Diver... yeah

Alright, get away, get away, get away
Holy Diver, Holy Diver, Holy Diver...
