

The Brexiteer

Nic Ivin

Do you know / what day it is
It's the day that / we all go to war

Can you hear / the peopleâ€™s roar
It's the British / lion in us all

And now it's over / can you see
Are there blue skies / is it raining on me

Aaah aaah ahhh
Itâ€™s only Apart
Itâ€™s only a part ofÂ me
Itâ€™s only Apart
Itâ€™s only ApartÂ

Turn a page / write a score
Get together / we did it once beforeÂ

We have a chance / to set us free
Are we mad / or is it just meÂ

And now it's over / can you see
Are there blue skies / is it raining on me

Aaah aaah ahhh
Itâ€™s only Apart
Itâ€™s only a part ofÂ me
Itâ€™s only Apart
Itâ€™s only ApartÂ
