

Ship Of Fools

Alphaville

Spinning, spinning
I can't believe what is happening to me
My head is spinning
He was the baby of the class, you know
He really didn't know that one and one was two
Two and two were four
He was the baby of the class, you know
He really didn't know that, really didn't know
Oh, what a poor soul
Ooh, do we not sail on a ship of fools?
Ooh, why is life so precious and so cruel?
Ooh, do we not sail on a ship of fools?
Ooh, why is life so precious and so cruel?
Ooh, do we not sail on a ship of fools?
Ooh, why is life so precious and so cruel?
Ooh, do we not sail on a ship of fools?
Ooh, why is life so precious and so cruel?
Ooh, do we not sail on a ship of fools?
Ooh, why is life so precious and so cruel?
