

It's All Too Much

[Steve Hillage](#)

It's all too much, It's all too much When I look into your eyes, your love is there for me

And the more I go inside, the more there is to see It's all too much for me to take

The love that's shining all around you

Everywhere, it's what you make

For us to take, it's all too much Floating down the stream of time, of life to life with me

Makes no difference where you are or where you'd like to be It's all too much for me to take

The love that's shining all around here

All the world's a birthday cake,

So take a piece but not too much Set me on a silver sun, for I know that I'm free

Show me that I'm everywhere, and get me home for tea It's all too much for me to see

A love that's shining all around here

The more I am, the less I know

And what I do is all too much It's all too much for me to take

The love that's shining all around you

Everywhere, it's what you make

For us to take, it's all too much It's too much... It's too much Too much too much too much (fade to end)
