

Six Weeks (Live on KEXP)

Of Monsters and Men

Slow, slow me down
Her blood on my bones
Let go, lay to rest
We fall, we fall, we fall, we fall to the ground Sleep, sleep all night
while the young, they wait alone
Get up, shake the rust
We crawl, we crawl, we crawl, we crawl on the ground Alone, I fight these animals
Alone, until I get home A wolf, Wolf and I, we share the same cold meal
I float on, float on down
We ride, we ride, we ride, we ride it all out Alone, I fight these animals
Alone, until I get home Coming back, I'm coming back
Coming back, I'm coming back
She follows me into the woods, takes me home
