

# Novacane (Explicit Version)

## Frank Ocean

I think I started something  
I got what I wanted  
Did didn't I  
Can't feel nothing  
Superhuman  
Even when I'm fucking  
Viagra popping  
Every single record  
Auto tuning  
Zero emotion  
Muted emotion  
Pitch corrected  
Computed emotion  
I blame it on the  
Model broad with the Hollywood smile  
Stripper booty and rack like wow  
Brain like Berkeley  
Met her at Coachella  
I went to see jigga  
She went to see z-trip  
Perfect  
I took a seat on the ice cold lawn  
She handed me a ice blue bong  
Whatever  
She said she wanna be dentist really badly  
She's in school paying  
For tuition doing porn in the valley  
At least you working  
But girl I can't feel my face  
What are we smoking anyway  
She said don't let the high go to waste  
But can you taste a little taste of  
  
Novacane  
Baby baby  
Novacane baby I want you  
Fuck me good  
Fuck me long  
Fuck me numb

Love me now when I'm gone love me none

Love me none love me none

Numb numb numb numb

Sink full of dishes

Pacing in the kitchen

Cocaine for breakfast

Yikes

Bed full of women

Flip on a tripod

Little red light on shooting

I'm feeling like

Stanley kubrick

This is some visionary shit

Been tryna film pleasure with my eyes wide shut

But it keeps on moving

I blame it on the

Model broad with the Hollywood smile

Stripper booty with the rack like wow

I'll never forget ya

You put me on a feeling I never had

Never had never had

And ever since

I've been tryna get it back pick it up and put it back

Now I'm something like the chemist on campus

But there's no drug around

Quite like what I found in you

I still can't feel my face

What am I smoking anyway

She said don't let the high go to waste

But can you tast a little taste of

Novacane

Baby baby

Novacane baby I want you

Fuck me good

Fuck me long

Fuck me numb

Love me now when I'm gone love me none

Love me none love me none

Numb numb numb numb

Novacane novacane novacane novacane novacane

For the pain for the pain for the pain

For the pain for the pain

Novacane novacane novacane novacane novacane

For the pain for the pain

Novacane novacane

Pretty girls involved with me

Making pretty love to me pretty

Pity pity

All the pretty girls involved with me

Making pretty love to me pretty

Pity pity

I can't feel a thing

I can't feel

Can't feel a thing

I can't feel a thing

Can't feel feel feel feel her

I can't feel feel her

Novacane novacane novacane

I can't feel feel her

For the pain

For the pain

For the pain

I can't feel feel her

Feel her feel her oh

Novacane novacane-cane
