

Work

Gang Starr

Are you working?

What kind of work do you do?Uhh...

(boy, what is it you want to do when you grow up?)Aiyyo Im gonna be on ti-dop, thats all my eyes can see

Victory is mine, yeah surprisingly

Ive been laying, waiting for your next mistake

I put in work, and watch my status escalateNow ima start collectin props, connectin plots

Networkin like a conference, cause the nonsense is yet to stop

Jakes shake me down, haters wanna take me down

Break me down, clap all they heard was the sound

Yo I scoped it out, I took your weak dream and choked it out

Your bitch dont really got no ass, she just poked it out

On the deelow, Im sayin, you versus me though?

We can do this shit right here, in front of your people

See time is money kid, and bs walks

And to me, its funny kid when you meet heads talk

I see feds stalk, they wanna dig up the dirt

Son is it me they hawk, cause I be puttin in work son?Aiyyo Im gonna be on ti-dop, thats all my eyes can see

Victory is mine, yeah surprisingly

Ive been laying, waiting for your next mistake

I put in work, and watch my status escalateYou cornballs get stonewalled, blackballed I own yall

The veteran, runnin my plan Im the better man

Crazy raw, doin my job like the mob

Blazin yall, and disappearin in the fog

Or a mist, and chicks cant resist what I kick

They be beggin for attention or some more of the dillznick

Word up baby, someone may have to get hurt up baby

Shit is mad shady, but I got to get the gravy

Platinum respect like the force of a tech

Keep you hittin the deck, feelin heat in your chest

Bangin your thoughts with the hot onslaught

A kid got shot on the spot for goin where he should not

Viciously, I make history, instantly

Those other lame ass loser ass niggaz, they cant fuck with me

Im doin my thing now, to lamp later on

Paid in the shade, with some fly gators on

But now Im grimy as they get, mud on my pants and shirt

I bet you niggaz out here know, I be puttin in workAiyyo Im gonna be on ti-dop, thats all my eyes can see

Victory is mine, yeah surprisingly

Ive been laying, waiting for your next mistake

I put in work, and watch my status escalate
