

Brick Shithouse

Placebo

Meet The Brick Shithouse
This Is The Brick Shithouse [Repeats]
Meet The Brick Shithouse Don't you wish you'd never met her? [Repeat: x3]
Lay him down, lie on
Lay him, down
Now your lover went and put me in the ground,
I'll be watching, when he's around.
Now your lover went and put me in the ground,
I'll be watching Meet the Brick Shithouse,
Kiss the Brick Shithouse,
Meet the Brick Shithouse,
Kiss. Lay him down, lie on
Lay him, down
Now your lover went and put me in the ground,
I'll be watching, when he's around.
Now your lover went and put me in the ground,
I'll be watching, when he's around When you cum you never make a single sound,
I'll be watching, when he's around,
When he's around, when he's around,
He's around. Don't you wish you'd never met her? [Repeat: x3] Lay him down, lie on
Lay him, down
Now your lover went and put me in the ground,
I'll be watching, when he's around.
Now your lover went and put me in the ground,
I'll be watching, when he's around When you cum you never make a single sound,
I'll be watching, when he's around,
When he's around, when he's around,
He's around. Don't you wish you'd never met her? [Repeat: x3]
