Right On You

Night Ranger

I was drinkin' in the parking lot
Outside where you're workin'
I was looking for your man
I was waiting for your manI don't know what you've been thinking about
But I've been mistreated
And I'm looking for your man
Yes, I'm waiting for your manOh, I ain't afraid of your Johnny come lately
Count on me bringin' him downI can hear the news comin'
I can feel the heat fallin'
Right on you now
Right on you nowMe and Jackie, we were checking it out
'Bout your hard luck story
And I heard it all before
And I ain't gonna pay no moreIf you're thinking that I'm your fool
Well then, you better listen
I ain't takin' no more lies
I ain't takin' no more liesI left you alone standin' at that door
I can't hear you knockin' no moreI can hear the news comin'
I can feel the heat fallin'
Right on you now
Right on you nowI can hear the news comin'
I can feel the heat fallin'
Right on you now
Right on you nowOh look out baby
'Cause here I come to get yaHey, come on backI can hear the news comin'
I can feel the heat fallin'
Right on you now
Right on you nowI can hear the news comin'
I can feel the heat fallin'
Right on you now
Right on you now, take 'em allRight on you now
Right on you now
Right on you now
Right on you now
