We R Who We R

Kesha

Hot and dangerous
If youÂ’re one of us, then roll with us
Â‘Cause we make the hipsters fall in love
And weÂ’ve got hot-pants on enough
And yes of course because weÂ’re running this town just like a club
And no, you donÂ’t wanna mess with us
Got Jesus on my necklace

IÂ’ve got that glitter on my eyes
Stockings ripped all up the side
Looking sick and sexy-fied
So letÂ’s go-o-o (LetÂ’s go!)

CHORUS:
Tonight weÂ’re going hard
Just like the world is ours
WeÂ’re tearinÂ’ it apart
You know weÂ’re superstars
We are who we are!

WeÂ’re dancing like weÂ’re dumb
Our bodies go numb
WeÂ’ll be forever young
You know weÂ’re superstars
We are who we are!

DJ turn it up
ItÂ’s about damn time to live it up
IÂ’m so sick of being so serious
ItÂ’s making my brain delirious!

IÂ’m just talkinÂ’ truth
IÂ’m telling you Â’bout the sÂ— we do
WeÂ’re sellinÂ’ our clothes, sleepinÂ’ in cars
DressinÂ’ it down, hittinÂ’ on dudes (HARD!)

IÂ’ve got that glitter on my eyes
Stockings ripped all up the side
Looking sick and sexy-fied

So letÂ’s go-o-o (LetÂ’s go!)

[CHORUS]

DJ turn it up
DJ turn it up
DJ turn it up
DJ turn it up

Tonight weÂ’re going hard
Just like the world is ours
WeÂ’re tearinÂ’ it apart
You know weÂ’re superstars
We are who we are!

WeÂ’re dancing like weÂ’re dumb
Our bodies go numb
WeÂ’ll be forever young
You know weÂ’re superstars
We are who we are!

OW!
