

# This Is What She's Like

## Dexy's Midnight Runners

Well, you know the kind of people  
That put creases in their old Levis? Sure  
The type that use expressions like tongue in cheek and send up?  
Indeed I do  
I don't like these kind of people No?  
May I state here and now,  
But I can't help thinking,  
All the time Im thinking of her  
What's she like? In time, in time  
Let me put it another way Please do.  
Welt, you know how the English upper classes are thick and  
Ignorant and not used to being with people?  
That's true  
You're familiar with the scum from Notting Hill and Moseley  
The C N D? Sure  
They describe nice things as wonderful  
She never would say that,  
She's totally different in every way  
What's she like  
In time, in time  
Tell me, what's she like?  
Come again?  
Tell me, what's she like?  
In time in time  
Well, this is what she's like  
I would like to express myself at this point  
Go aheadBill, you know the newly wealthy peasants  
With their home bars and hi fis?  
Eh, I'm not sure actually  
You know, the ones who parade all their possessions  
And put fabulous and super in each sentence  
Oh yeah, I know the ones  
Well I don't really like these scumbags  
May I be clear on this point. Sure  
She's not a bit like that  
No, nothing like that  
What's she like?  
In time, in time  
Tell me, what's she like?

Bill, I'm trying to tell you  
Oh well I'll tell you what she's like  
Given half a chance  
I will make this clear  
Just what she's like I'll present a picture of what she's like  
You'll be in no doubt as to what she's like But listen close  
Listen close now here  
Come on, are you gonna' tell us what she's like or not  
Oh yeah, I have every intention.  
I'll tell you now, listen  
Go on,  
Go on,  
Do you get my drift?  
Oh yeah, I'm starting to get the picture  
Well listen, I can expand on this if you'd like  
Yeah, if you would  
Oh, I see, I see She must be something  
Yeah, she is.  
Well how did all this happen  
Just all at once really.  
The Italians have a word for it  
What word what is it?  
A thunderbolt or something  
What, you mean the Italian word for thunderbolt)  
Yeah, something like that  
I don't speak Italian myself you understand No  
But I knew a man who did  
Well, that's my story,  
The strongest thing I've ever seen
